

# Gator Gazette!

From the desk of Mr. Harris...

Kindergarten Registration for half day will take place April 11<sup>th</sup> from 4:00pm-7:00pm. Registration will be online, but we wanted to open the school up for parents to come in and register here and see our school, we know this is an exciting time for many and we look forward to seeing you all. We will have laptops available and secretaries here to help answer any questions. If you are not able to make that night, that is ok, you can still register online from home.

Please make sure that you take look at the District Website that will help prepare you with the documents needed if you plan to come in to register April 5th to ensure that you have the proper proofs of residency that will need to be uploaded. We will have a scanner available to assist you with that as well. Make sure you also have your child's original birth certificate **and your photo ID**, as we will need to see it and make a copy for the student file.
